

This site is going to have a frick ton of swearing and crap, so if you can't handle it, hop off. and honestly this is just a crappy copy, I guess. but I need an online Journal. CREATED 3/7/2024

This is literally just a dumb rant site, dont pay attention to it much, also if you'd be interested in contacting me for the following reasons:

Removing images

Deleting "offensive text"

Adding cool suggestions

Or any other media changes

Contact @FritzscheLetvan on Gmail. Do not sign me up for a bot scam or something or I'll be very mad. MIGHT REMOVE ASWELL.

Also, Dear People that know me: if you think this website is weird, SHUT UP. thank you. I update this site regularly, which could stop in the future so, stay tuned, I guess.

I now have a R34 account, @Yeahimcooler (same as my c.ai account), and no I'm not a Coomer, but I'd like to be in all 4 corners of the internet, not just mainstream, I also want to talk to some artists. My original account on R34 was HaglundEric, but I was a dummy and didn't assign a password fixer to it, so I lost that, don't look for it.

TIKTOK ACCOUNT: @coolkidat99

I titled the pages differently but I have a mood to them, Murder drones is definitely where most of my images are, and big events I talk about.

Elephant is more my opinions.

And Popularity is my societal view, and smaller events.

UPDATE 3/22/24: I decided to create "stancemaxxing" I often put my arms in a bent position on my hip, makes me look like..Idk I'm posturemaxxing idk what else to say.

DOWNLOAD MY AI BOT PROMPTS . pwease... [Character.AI](#) And DONT STEAL MY IDEAS OR I'LL BLOW YOU UP AND IT'LL BE FUNNY.

(Damn, my Backrooms MD Trio project got 1k Interactions!)

Funny thing, in a KMA animation video I asked a guy to wait, were arguing over some crap, I told him to wait a month.

TIP: NVK=Nationale Volks Kampfendersocialismus , NVJ is planning, It's a tip off to the Murder Drones Trio.

4/27/24 I'm happy to say that my YouTube playlist is now 169!!!

And every pedo politicians cowering in his prime!

AND I WONT BE AMAZED IF THE THROW US ALL IN CHAINS

SAID THE SCUM FROM THE NEW YORK TIMES!!!.
